REF : A. United States Naval Institute Proceedings,
Vol. 85, Number 9, September 1959.

1. Specific reference is made to the Home Study (USAFI) courses of the University of Chicago described in the last paragraph on page 80 and continuing at the top of page 81 of reference A., above. The first item of the quote from the Home Study Department brochure appears to refer to material which might be useful to our JCI/IOE training and/or to the AAO program. The second item possibly is pertinent to our JCI/communism instruction.

2. If DDTR, C/LAS, and C/SIC concur, it is suggested that R/TR obtain more information about the referenced courses, and if possible, copies of the instructional material used in them.
